# When You Walk in the Room
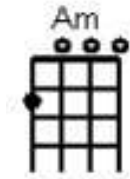

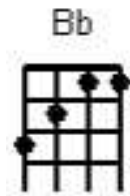

F
I can feel a new expression on my face

                                                     C7
I can feel a glowing sensation taking place

        Bb             C7         F     Dm
I can hear the guitars playing lovely tunes
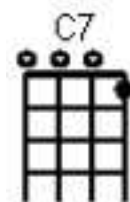

Gm7  Am       C7          F
Every time that you walk in the room

F
I close my eyes for a second and pretend it's me you want

                                 C7
Meanwhile I try to act so nonchalant

        Bb             C7         F     Dm
I see a summer's night with a magic moon
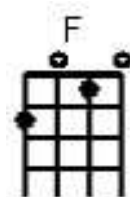

Gm7  Am       C7          F
Every time that you walk in the room

Gm7     Am  C
Maybe it's a dream come true

Gm7     Am        C
Walking right along side of you

F                        Dm
Wish I could tell you how much I care

   G7                       Gm7     C7
But I only have the nerve to stare

F
I can feel that something pounding in my brain

                                     C7
Just anytime that someone speaks your name

Bb                C7         F     Dm
Trumpets sound and I hear thunder boom

Gm7  Am       C7          F
Every time that you walk in the room

Gm7  Am       C7          F
Every time that you walk in the room
